

**REMARKS**

The Office action mailed September 29, 2005, set forth a restriction requirement alleging that claims 1-18 were drawn to a first invention (a method for making a semiconductor), while claims 19-21 were drawn to a second invention (a semiconductor device). Applicant hereby elects claim Group I for continued prosecution, without traverse. Applicant hereby cancels claims 19-21, without prejudice or disclaimer. Applicants reserve the right to pursue claims 19-21 in a divisional application.

All claims 1-18 are believed to be in condition for allowance, and the Examiner is respectfully requested to pass those claims to issuance. If the Examiner believes a teleconference will expedite the examination of this application, the Examiner is invited to contact the undersigned attorney at 770-933-9500.

No fee is believed to be due in connection with this Amendment and Response to Restriction Requirement. If, however, any fee is deemed to be payable, you are hereby authorized to charge any such fee to deposit account 20-0778.

Respectfully submitted ,
